## 01. ABOUT DOGUNICOIN

### REDEFINING MEME COINS THROUGH ON-CHAIN STAKING

In the ever-evolving landscape of cryptocurrencies, Dogunicoin emerges as a distinctive and innovative token, drawing inspiration from the beloved Shiba Inu-themed meme coin universe while introducing a new dimension. Dogunicoin takes pride in expanding the legacy of the Doge family by not only embracing its philanthropic spirit but also revolutionizing the concept of passive rewards within cryptocurrencies.

### EMBRACING TRADITION, IGNITING INOVATION

Dogunicoin encapsulates the vibrant essence of coins that have captured the imagination of the crypto community. With its roots intertwined with the iconic godfather Dogecoin, which transcended internet culture, Dogunicoin pays homage to this legacy while venturing into uncharted territory. By combining the appeal of memes with the power of chain betting, Dogunicoin paves a unique path that appeals to both enthusiasts and investors seeking new avenues of growth.

## EMPOWERING THE COMMUNITY THROUGH STAKING

At the heart of Dogunicoin lies a clever betting mechanism that empowers its holders to actively engage with the network while earning rewards. Through chain betting, holders can contribute to the stability and security of the token ecosystem, all while passively accumulating additional tokens. This approach not only fosters a sense of ownership but also amplifies the token's utility, highlighting its potential as a dynamic and self-sustaining entity.

## MORE THAN A MEME

Inheriting the spirit of its Doge lineage, Dogunicoin is committed to making a positive impact. The token transcends the digital realm, channeling its influence to support charitable organizations, initiatives, community projects, and noble causes. Dogunicoin assumes its place as a symbol of benevolence in a space often characterized by speculation.

# DOGUNICOIN

## MAPPING THE FUTURE

Dogunicoin envisions a future where innovation meets compassion, where meme-inspired tokens evolve beyond internet trends, and where passive reward generation intertwines with significant contributions. As the crypto landscape continues to evolve, Dogunicoin is poised to redefine norms, challenge conventions, and lead the way towards a more inclusive and impactful blockchain ecosystem. With ambitious goals, the Dogunicoin project will progress to create the Dogunirent website and app, facilitating real estate rentals with cryptocurrency payments, offering a special discount when paying with DOGUNI tokens.

# ROADMAP: CHARTING THE PATH TO SUCCESS

## **DOGUNICOIN**

### **02. ROADMAP: CHARTING THE PATH TO SUCCESS**

#### **PHASE 1: PRESALE AND MARKETING**

DOGUNICOIN begins its journey by ensuring a level playing field with a fair and transparent presale for all investors. The team will allocate a portion of the presale proceeds to a professional marketing strategy. This strategy will lay the foundation for sustainable growth of the token.

#### **PHASE 2: EARLY STAKING INCENTIVE**

the early supporters and buyers of DOGUNI from the presale will be offered a unique opportunity. They will have the chance to stake their tokens directly into the smart contract even before the official listing day. This strategic move is designed to provide them with a high early Annual Percentage Yield (APY) advantage, setting the tone for the token's staking Ecosystem

## **PHASE 3: PRESALE TOKEN STAKING**

The DOGUNI Stake smart contract is scheduled to distribute tokens to all stakers in the pool for a period of two years, providing sustained passive rewards. During this long time the doguni project will take root and its participants will earn passive rewards as our community grows day by day to achieve the desired success.

## **PHASE 4: PRESALE TOKEN STAKING**

To ensure a fair launch for DOGUNI, presale buyers will be able to claim their tokens from the website at the same time as the DEX listing.

This simultaneous release will foster trust and maintain the integrity of the project, ensuring that all participants have an equal footing in the token's distribution.

## **DOGUNICOIN**

### **PHASE 5: ALLOCATED LIQUIDITY PROVISION**

Continuing with the commitment to maintain a solid ecosystem

The DOGUNI team will add a substantial liquidity pool. For this purpose, 15% of the total token supply has been set aside.

This move ensures that the token maintains healthy

trading volumes and minimizes potential volatility, safeguarding the interests of both early and future investors

### **PHASE 6: DEX LAUNCH**

The highly anticipated moment arrives as DOGUNI makes its debut on DEX RAYDIUM, one of the world's largest decentralized exchange SOLANA.

guarantees a seamless trading experience for users, offering them the best possible environment to buy, sell, and interact with DOGUNI. The early liquidity provided by RAYDIUM listing will serve as a solid foundation for the token's market presence.

## PHASE 7: CREATION OF THE APP AND WEB

As the project progresses, the Dogunirent app and website will be created for real estate rentals with payment in cryptocurrency, in this platform the collaborators will be able to place their properties to be rented and receive payments in fiat and DOGUNI. a special discount will be applied when paying with the DOGUNI currency.

# TOKENOMICS: EQUITABLE SUSTAINABILITY

## 03. TOKENOMICS: EQUITABLE SUSTAINABILITY

### TOKEN ALLOCATION

#### **PRESALE: 60.00% (300,000,000.00 Tokens)**

The presale phase of the initial token distribution holds significant importance, offering an equitable beginning for early supporters and investors. This allocation seeks to empower individuals aligned with Dogunicoin vision, encouraging active engagement from the outset of its journey.

#### **MARKETING: 05.00% (25,000,000.00 Tokens)**

Critical to Dogunicoin's future triumph will be an extensive growth marketing initiative tailored to engage meme coin traders and draw in steadfast supporters for the long haul. DOGUNICOIN will be prominently featured across all major cryptocurrency platforms with significant traffic.

## **DOGUNICOIN**

### **TREASURY: 05.00% (25,000,000.00 Tokens)**

The purpose of this reserve is to bolster the project's longevity and advancement, offering financial backing for future initiatives and operational requirements, ensuring sustained growth and development.

### **STAKING: 15.00% (75,000,000.00 Tokens)**

A significant proportion of tokens is allocated for staking, motivating holders to actively participate in enhancing the network's stability and expansion while receiving rewards. This distribution fosters active involvement and strengthens Dogunicoin's community-driven ethos.

## STAKING ALLOCATION

### **Year 1: 75.00% (56,250,000.00 Tokens)**

During its inaugural year, Dogunicoin generously rewards early stakers with a considerable portion of the staking pool. This program acknowledges and values the loyalty and dedication of individuals who contribute to the network's expansion in its initial stages.

### **Year 2: 25.00% (18,750,000.00 Tokens)**

In its second year, Dogunicoin maintains incentives for staking, albeit at a slightly lower rate. This strategy guarantees ongoing rewards for the community's participation while also adapting to the changing dynamics of the ecosystem.

## **Empowering the Community**

The tokenomics structure of Dogunicoin is carefully designed to empower its community members, investors, and enthusiasts.

## DOGUNICOIN

By strategically distributing tokens and implementing a sustainable staking mechanism, the project seeks to cultivate an ecosystem where active engagement is incentivized, and long-term sustainability is guaranteed.

**DEX LIQUIDITY: 15.00% (75,000,000.00 Tokens)**

Acknowledging the significance of liquidity in fostering a robust ecosystem, DOGUNICOIN reserves a portion of its tokens to supply liquidity on decentralized exchanges. This endeavor enriches the trading environment, bolsters price stability, and facilitates smoother market operations.
